Re: Bid No. RF 6002, Road Salt/Contract #06948
Opened: 8/3/05 @ 2:00 p.m.

Subject: Amendment to Price Withdrawal letter dated October 13, 2005

Dear Madam

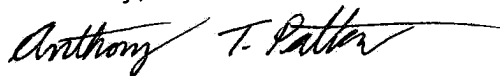

Morton Salt Company's letter of October 13, 2005 withdrew prices for five locations in Region Two for Type C Salt (Items #11, 15, 17, 19, and 21).

Upon receiving the State of Utah Salt Contract #069048 for signatures, we realized there were actually six (6) locations that the price interpretation applied to. The location Item #13 (Sta. 2427 South Valley) was not included on the original letter.

Therefore, this amendment letter will serve to include the 6th location — Item #13.

We regret any inconvenience this may have caused the State of Utah.

Sincerely,

Anthony T. Patton
Assistant Manager Highway Ice Control Marketing

Re: Bid No. RF 6002, Road Salt
Opened: 8/3/05 @ 2:00 p.m.

Dear Madam

Morton Salt Company regrets that an interpretation error was made in Region Two for Type C Salt for items #11, 15, 17, 19, and 21 for delivered salt. Morton's price was \$12.50 which was understood to be a pick-up price.

The price page has a column for Delivery method and Stockpile method. The bid states the delivery method #3 is delivery. However, on the price page, the stockpile method is #4. Morton interpreted that the stockpile method @ #4 was pick-up. There is no #4 for stockpile method, only delivery method which is FOB.

Morton is therefore withdrawing prices for items #11, 15, 17, 19, and 21. We regret any inconvenience this error may have caused the State of Utah.

If you have any questions, please call me at 312/807-2496.

Sincerely,

Anthony T. Patton
Assistant Manager Highway Ice Control Marketing
